- ✚ Be fair for green care
- ✚ Raise your voice against grey practices
- ✚ Crush greed and go green.

Pollution

- ✚ Two kids, one tree for each family
- ✚ Lesser the pollution, better the life
- ✚ Less pollution is the best solution
- ✚ Pollution is our silent enemy, just finish it silently
- ✚ Tree plantation is the best option against pollution
- ✚ Pollution isn't cool, so don't be a fool!
- ✚ Say no to pollution in every moment of your life.

Earth

- ✚ Avoid using plastic bags
- ✚ Always use biodegradable plastic bags
- ✚ Stop burning of garbage
- ✚ Dispose of garbage at designated place
- ✚ Don't litter, it will make your life bitter
- ✚ Keep your homes and surroundings clean
- ✚ Dispose of industrial effluent in safe manner
- ✚ Industries must abide by green rules
- ✚ Incinerate infectious waste before disposal
- ✚ Reuse, Reduce, Recycle and never be confused
- ✚ Recycling begins at home
- ✚ Only we can make the future green so let's do it
- ✚ Conserve water and energy resources
- ✚ Conservation is a state of harmony between men and land.
- ✚ The land belongs to the future.
- ✚ The nation that destroys its soil, destroys itself.

Water

- ✚ Use water with care, don't waste it anywhere
- ✚ Water you must conserve so our future we will preserve
- ✚ So our future doesn't flop, please conserve the drop
- ✚ A drip here, a drop there, Conserve water with care
- ✚ Save the water of rain and don't let it to drain
- ✚ No rain only pain, no water no life
- ✚ Collect the water from rain to live without pain.

Fuel/ Electricity

- ✚ Don't waste in haste
- ✚ Saving fuel now is clever, because oil can't last forever
- ✚ No excuse for energy misuse!
- ✚ Today conserve light so tomorrow will be bright
- ✚ Conserve energy everyday so we are not left in the dark tomorrow
- ✚ Today's wastage is tomorrow's shortage
- ✚ Keep the future bright, Turn off the light
- ✚ Give the earth a hug, pull the plug.
