

World Ozone Day: 16th Sept, 2018

Theme: Keep cool and carry on

ENVIS Resource Partner on Environmental Biotechnology
Hosted by: Dept. of Env. Science, University of Kalyani, West Bengal
Sponsored by: Ministry of Environment, Forests & Climate Change

World Ozone Day has been celebrated since 1994 and was established by the United Nations General Assembly. It is celebrated on 16th of September every year to spread awareness and bring attention to the depletion of the ozone layer. This year ENVIS Resource Partner and NSS, University of Kalyani were jointly celebrated the World Ozone Day (Theme: Keep cool and carry on) with different programmes in University Campus from 20th-25th September, 2018 Under the leadership of our Hon'ble Vice-Chancellor, Prof. Sankar Kumar Ghosh. The "World Ozone Day" was celebrated by different activities like "Quiz Competition among different schools of Kalyani, Debate and Poster Contest completion by University students.

On 20th September at 10.30 AM, the Quiz competition was held among XIth and XIIth students and at 1.30 PM a Debate competition on "Ozone Layer Depletion and its Consequences on Environment and Human health" was also held among the M.Sc students of University of Kalyani. On 25th September, 2018 poster competition was held among the M.Sc students of the different departments of University of Kalyani.

On 25th September, 2018 World Ozone Day was inaugurated by Hon'ble Vice Chancellor Professor (Dr.) Sankar Kumar Ghosh, KU with other distinguished dignitaries. Prof. Rita Ghosh, Dean, Faculty of Science KU, Professor Asish Kumar Panigrahi, Coordinator ENVIS Centre, Head, Dept. of Zoology, Registrar Prof. Debansu Ray and other eminent guests, Prof. Apurba Ratan Ghosh, Department of Environmental Science, University of Burdwan, and Dr. Tanmoy Rudra, Environmentalist and Executive Section Association of Indian Universities were present in the dais. Professor Asish Kumar Panigrahi, Coordinator ENVIS Centre, Head, Dept. of Zoology, KU delivered the inaugural speech on World Ozone Day.
